House

Senator Grall moved the following:

Senate Amendment

Delete lines 665 - 672
and insert:
neurologist, neurosurgeon, internist, family medicine physician,
pediatrician, surgeon, or anesthesiologist.

(b) If the patient's treating health care practitioner is
an autonomous advanced practice registered nurse registered
under s. 464.0123, the determination must be made by that
practitioner and two physicians licensed under chapter 458 or
chapter 459. Each physician must be a board-eligible or board-
